In such case, this License incorporates the limitation as if written in the body of this License.
- (g) **U.S. Laws and Export Restriction.** Licensee acknowledges that the Software is subject to U.S. export laws and regulations and any use of or transfer of such Software must be authorized under those regulations. 5. NO WARRANTIES.

TECH-X CORPORATION EXPRESSLY DISCLAIMS ANY WARRANTY FOR THE SOFTWARE OR MODIFIED SOFTWARE CREATED BY LICENSEE. 7. INFRINGEMENT CLAIMS

Tech-X will defend at its own expense, indemnify and hold Licensee harmless in any action brought against Licensee on a claim that the Software infringes any third party's patent or copyright, provided that Licensee promptly notifies Tech-X in writing of such claim, Tech-X has sole control over the defense of the claim and/or any settlement negotiations, and Licensee cooperates fully in the defense of the claim. Tech-X will pay those costs and damages finally awarded against Licensee in any such claim. At its option, Tech-X may, in lieu of any other claims by Licensee for indemnification, obtain the right for Licensee to continue using the Software, or repair it, replace it or terminate this Agreement, including any licenses granted herein. **The foregoing states Tech-X's entire obligation to Licensee for indemnification of third party infringement claims.**

10. CONFIDENTIALITY

Licensee agrees to maintain in confidence the confidential information of Tech-X, including any source code to any Tech-X software programs to which Licensee has access. Licensee further agrees not to disclose such Tech-X confidential information to anyone other than employees or contractors of the Licensee who have a need to know or obtain access to such information in order to support Licensee's authorized use of the Software who are bound, by a written agreement, to protect such information against any other use or disclosure.
